Journals:

Bhardwaj B(2015) Synthesis, Characterization and Pharmacological Evaluation of 2-Acetamido-4-(5-Substituted-Phenyl-4H-(1,2,4)Triazol-3-Yl) Methylthiazoles *Heteroletters organic* 5(2):195-203.

Bhardwaj B(2014) Synthesis of Novel N'-(2-Oxoindolin-3-Ylidine)Benzofuran-2-Carbohydrazides *Via Green Chemistry* and their Biological Activities *Der Pharma Chemica* 6(1):272-278

Bhardwaj B(2014) Synthesis and Antimicrobial Activities of Novel Aminoalkylated 2H-Benzotriazoles *American Chemical Science Journal* 4(5):576-586.

Bhardwaj B(2014) Benzotriazole: A medicinally Important Heterocyclic Moiety” *Asian Journal of Biochemical and Pharmaceutical Research* 1(4):2231-2560.

Bhardwaj B(2014) Aqua Mediated Novel, One-Pot, Catalyst-Free and Economically Efficient Synthesis of Functionalized 2-Aminothiazoles *International Journal of Applied and Natural Sciences* 3(3): 87-94.

Bhardwaj B(2013) Synthesis and Biological Evaluation of Novel Spiro[Indole-Thiazolidines *International Journal of Revolution in Science and Humanity* 3(1):79-88.

Paper Presentation:

Bhardwaj S(2016) Synthesis and Biological Activity of Some Novel 2- Substituted Benzofurans *National Conference on “Global Challenges- Role of Science & Technology* TITS, Bhiwani, Haryana.
